

Greater Manchester Health and Social Care Partnership

4th Annual North West Prevention and Optimal Management of Stillbirth Meeting

Friday 2 March 2018

Registration opens with lunch at 12noon | 1:00pm – 4:30pm
Bolton Whites Hotel, Macron Stadium, De Havilland Way, Bolton, BL6 6SF

Location/directions are available via the link below:

<https://www.boltonwhiteshotel.co.uk/contact-us>

This is our 4th Annual Prevention and Optimal Management of Stillbirth meeting and builds on the overwhelming success of our previous events. We are delighted to be launching version 3 of the North West Management of Stillbirth Guideline and Integrated Care Pathway alongside version 2 of the Second Trimester Pregnancy Loss Guideline and Integrated Care Pathway that has now been in use for 12 months across the region.

This meeting is also our opportunity to celebrate the collaborative and partnership working amongst all medical, midwifery and nursing professionals in the northwest, enabling them to provide compassionate care at this most traumatic and distressing time to mothers and their families.

Findings from data collected by colleagues in providers across Greater Manchester and Eastern Cheshire will also be presented that will demonstrate the impact and outcomes that the development of the Stillbirth Guideline and Integrated Care Pathway has had throughout its cycles of development and revision.

Aimed at

Obstetric, midwifery and nursing teams, plus all maternity service support professionals involved in the care of women and their families.
