

Career Development Workshops

Provided by NHS England and NHS Improvement in collaboration with Korn Ferry

Workshop A (part 1): Career Development

Date: Thursday 16th June 2022; **Time:** 09:00am -13:00pm

This workshop is targeted at helping participants understand who they want to be as a leader and experience they will need to gain, rather than practical interviewing/CV writing skill development.

Further aims of the workshop are to help participants create a focussed plan to further their career by:

- Guiding and grounding personal career plans with a clear sense of personal purpose.
- Focusing on the 'type' of role that they want, truly aligned with what motivates and drives them.
- Understanding how they can take charge of their own development and navigate potential blockers.

Session Overview:

- **Who am I?**
- **Aspirations and Purpose**
- **Action Planning and available resources**

Workshop B (part 2): Planning my Path to Success

Date: Thursday 23rd June 2022; **Time:** 09:00am -13:00pm

The overall purpose of the workshop is to support candidates in preparing for the next stage of their journey, whether that be re-entering for assessment centres or preparing for an interview. The focus is largely on expectations of an Executive Director and what is required for this role, rather than the assessment process per se, but remains open to those in both categories.

Further aims of the workshop is to help participants create a focussed plan to further their career by:

- Gaining insights into 'what good looks like' in relation to CV writing and interview presentation.

- Building on self-awareness by understanding how they 'show up' in interviews.
- Recapping and further developing interview techniques.

Session overview:

1. What 'good looks like' – Executive guest speaker (live or recording)
2. CV Writing
3. Confidences in Interviewing
4. Interview Skills

**Please note pre-work is required for both sessions*

Contact us:

We have thirty places on this course and would strongly recommend that participants attend both workshop sessions to gain the full benefits. Places are available on a first come, first served basis.

If you are interested in joining, please register your interest by email to us at Talent.sw@nhs.net Joining instructions will be forwarded a week before the event.
