

Education session:

FIT in Primary Care

A webinar for GPs, Primary Care Leads, Primary Care Networks and those involved in the Bowel Cancer Pathway

Wednesday 7 December 2022 12pm-1.30pm

Please [Click Here](#) to register for the event and joining instructions will be sent to you. The webinar will take place over Microsoft Teams

In this session we will explore and discuss:

- *the drivers for increasing FIT testing in primary care
- *safety netting—what is this and what else can be done?
- *case studies on implementation of FIT in practice
- *panel discussion and opportunity to ask questions to our experts

Speakers:

Dr Johnathan Slade

Professor Matt Rutter

Dr Steve Ollerton

Dr Katie Elliot
