How to Find Us

From Taunton Train Station

The train station is about one and a half miles from South West House. There is a taxi rank right outside the station and the journey to the office takes approximately 10-15 minutes depending on traffic. The cost of a taxi fare each way is £6 - £10.

Alternatively, from the station you can take bus number 1, operated by First Bus, heading in the direction of Calder Crescent. Ask for the Blackbrook Business Park. The route goes through the centre of the town and takes approximately 20-30 minutes depending on traffic conditions.

By Car

The direct route to South West House is the M5 to Junction 25.

Depending on the direction of travel, if heading North, take the first exit from the roundabout at this junction into Blackbrook Park Avenue. If heading South, go around the roundabout and under the M5 and take the first exit on the left onto Blackbrook Park Avenue.

From here, go straight past the petrol station on the right and through the first roundabout past the Express at Holiday Inn and turn right at the second roundabout – you have now arrived at South West House.

If you are using the A38, take this road into Taunton. At the lights at Creech Castle, the junction with the A358, turn left towards the M5. Go straight on through the first roundabout and up to the junction with the M5. Go under and around the M5 and exit left into Blackbrook Park Avenue and follow the instructions given above.

Parking

Parking is limited at South West House. However, there is plenty of parking available at Holiday Inn for a small fee.
