

Primary Care Improvers conference - taking general practice forward

Tuesday 26 February 2019 – 10.00am to 4.00pm
Kia Oval, Kennington Oval, London, SE11 5SS

Outline of the programme

The conference will give delegates opportunities to share and learn with others working to change primary care, below is an outline of what is planned for the day.

Coming together to share what we have started

- Sharing your improvement stories – small group work to share your stories and learn from others.
- Learning from general practice: what are we learning about how change and improvement happens from three years of the Time for Care programme.
- Where next: opportunities, challenges and what's on offer to help you in your community work.

The collaboration challenge

- Learn from leaders of emerging networks in primary care – what's working well, what are the challenges and how are people overcoming them?
- Small group work to capture learning, share ideas and plan your next steps.

Improvers on Manoeuvres – themed sessions where you can

- Refresh and test quality improvement approaches that never let you down.
- How to move from Start up to Scale Up?
- Ideas lab – how to make a good idea happen.
- Building your movement for improvement – how can you engage patients and the community to improve how you work?

Running throughout the day

- Being the best you can be - 1:1 rapid coaching slots with Time for Care faculty coaches and reflective time to build personal resilience.
- The Collaboration Exchange – visit the marketplace to hear how other organisations involved in quality improvement and collaboration in primary care can support you.
