

*The NHS is responsible for 25 million tonnes of carbon/pa.  
This is equivalent to the annual emissions of Sri Lanka.  
Did you know that 25% of those emissions are due to medicines?*

## **Now you can be part of the solution!!**

### **Pharmacy Sustainability CPD Training available to all GM Pharmacy Staff.**

Everyone working in Pharmacy, whatever part, is very welcome!

The Chief Pharmacists are supporting staff to undertake one-hour training session in all GM Provider Trusts. This session is designed to understand the impact of pharmacy on sustainability and then for staff to think how they can support improvements in Pharmacy Services.

**Training sessions are available through NHS Events – invitations to be circulated**

**Or contact GM Pharmacy Programme: [the-christie.gmpharmacy@nhs.net](mailto:the-christie.gmpharmacy@nhs.net)**

Course attendees will be invited to 'pledge' to undertake a sustainable improvement project, with the opportunity of presenting the results at the Clinical Pharmacy Congress Greater Manchester in November 2024.
