NHS England

CREATING COACHING CHAMPIONS

Strengthening practice-based learning through coaching and collaboration

Coaching-led conversations

Holistic delegation

Collaborative peer learning

An interactive workshop supporting educators and supervisors to enhance learning in clinical practice through coaching lead conversations, holistic delegation and collaborative peer learning.

Participants will build the confidence and skills to act as Coaching Champions and support sustainable improvements to learner experience and readiness for practice.

NHS ENGLAND SE & SW ONLINE WORKSHOPS

10:00-15:00
Friday 11 December 2026

Access the **Coaching Models in Clinical Practice Toolkit** on the NHS Learning Hub
