Introduction

A Greater Manchester-wide Mental Health Network has been established which will support the delivery of quality outcomes associated with the implementation of the overall Greater Manchester Mental Health and Wellbeing Strategy.

The focus of this session will be on reviewing the Greater Manchester Mental Health and Wellbeing Strategy.

Purpose

The purpose of the day is to undertake whole system engagement with a wider set of stakeholders. We would be looking to inform attendees about our key priority areas (based on the Long Term Plan) and how we are potentially looking to deliver them.

Target Audience

- Mental Health stakeholder in Greater Manchester
