Lunch included and free to attend

Arrival refreshments available from
9:00am for a 9:30am start

IWM North, The Quays, Trafford Wharf
Road, Manchester, M17 1TZ

<https://www.iwm.org.uk/visits/iwm-north>

What you need to know

**Greater Manchester Children's Health and Wellbeing
Forum**

**Preventing Avoidable Admissions of Children and
Young People**

Who should attend

We welcome all stakeholders across the health and social care system, parents and carers, education and voluntary sectors, and encourage representation from local care organisations (LCOs), CCGs, primary care and population health

Further information

You are invited to the biannual Greater Manchester Children's Health and Wellbeing Forum where we will be carrying out a deep dive into Preventing Avoidable Admissions for Children and Young People.

We will review the progress that has been made to prevent avoidable admissions for the long-term conditions; asthma, epilepsy and diabetes and agree next steps for the programme.

Please feel free to stay for the afternoon session where we will be identifying ways to embed the Greater Manchester Youth Agreement in our services.
