Road, Manchester, M17 1TZ

<https://www.iwm.org.uk/visits/iwm-north>

What you need to know

**Greater Manchester Children's Health and Wellbeing
Forum**

Engaging with Children and Young People

Who should attend

We welcome all stakeholders across the health and social care system, representation from children and young people and parent/carers, education and voluntary sectors and youth justice

Further information

You are invited to the biannual Greater Manchester Children's Health and Wellbeing Forum where we will be carrying out a deep dive into Engaging with Children and Young People.

The deep dive will look at The Greater Manchester Youth Agreement, how it is being implemented across the system and generate ideas on how we continue to test the standards and engage with children and young people from across Greater Manchester.

Please feel free to come for the morning session also where we will be carrying out a deep dive into Preventing Avoidable Admissions for Children and Young People.
