Gender identity services - tell us what you think...

NHS England is seeking views on how specialised gender identity services (specialised outpatient services and surgical interventions), for adults 17 and above, will be delivered in the future.

To find out more and to share your feedback:

- Use the QR code now to go directly to information about the consultation
- Visit our website to see the proposed service specifications and complete our online survey: www.engage.england.nhs.uk/survey/gender-identity-services-for-adults
- Attend an event or join one of our webinars. Details here: www.engage.england.nhs.uk/survey/gender-identity-services-for-adults

If you would like to stay informed about the consultation and future developments in this service area you can register as a stakeholder of the Gender Identity Clinical Reference Group
